13 Qt Mop Bucket With Wringer - 13 Qt / Blue/ Black

This mop bucket has a built-in wringer that allows for wringing when cleaning without placing hands in the dirty water or bending down. The hands free design enables you to easily drain away water without needing to lift up the heavy bucket when cleaning is finished. It is perfect for tight spaces and stores easily in any small janitors closet.

Key Features

- Removable wringer
- Wringer features molded mop handle holder
- Features molded spout
- Elongated oval-shaped
