TF 1-888-274-0862

DESCRIPTION

Fast and effective at cutting through dirt, grease, scuff marks, you name it! This water soluble cleaner will leave a streak free shine on most washable surfaces. Our ultra concentrated All Purpose Cleaner saves you space; one 4L jug will give you over 1000L of diluted product, giving you a superior clean every time!

ALL PURPOSE CLEANER

NETTOYANT POUR TOUT USAGE

256X

CODE: ULT-1731

USAGE

 This ultra concentrate is to be diluted to a ratio of 1 part cleaner: up to 256 parts water. Simply spray the diluted product on a soiled surface and wipe clean with a microfiber cloth. This product is safe to use on most non-porous surfaces. When using on a food surface, rinse with potable water and wipe dry.

Our All Purpose Cleaner cleans most messes in just seconds! For extra stubborn messes allow product to sit for a few minutes before wiping it off or use a more concentrated dilution.

This product is part of our dilution control Ultra Line and should be used in conjunction with an appropriate chemical dispensing system. We can recommend the right system for your needs. Ask your Account Manager about the KP1H system!

NO ANIMAL TESTING
- INGREDIENTS

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

APPLICATIONS

Countertops, floors, painted walls, railings, fixtures, glass, porcelain, stainless steel, chrome, aluminum, painted metal, Formica, fibreglass, plastic, vinyl, ceramic tile, resilient floors, terrazzo, quarry tile, marble, machine parts, tools and non-electrical equipment, woodwork, and any other washable surfaces.

PROGRESSIVE CHEMISTRY

Our super safe formula contains plant-based and biodegradable surfactants, natural pH buffers, water softeners, and biodegradable solvents. In its diluted form it poses no risks whatsoever!

STREAK FREE

DOSAGE INSTRUCTIONS

APPLICATION

DILUTION

Light to medium soils

1:256 (standard dilution)

Heavy soils

1:128

For really tough messes this product can be manually diluted to increase effectiveness. For example: 1 part cleaner: 128 parts water \approx 30mL into 4L. Please read the label and SDS before working with concentrated products.

STORAGE

Store locked up

Do not allow to freeze

Store in a dry, cool, well-ventilated area

Store away from direct sunlight and heat

Store in original container with closed lid, away from incompatible materials such as strong oxidizing agents.

SHELF LIFE: 1 year after opening

PACKAGING

This bottle is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN:

4L → 1024L ready-to-use product

20L → 5120L ready-to-use product

205L → More than 52,000L ready-to-use product

PRECAUTIONS

May be harmful if swallowed.

Wear protective gloves and eye protection when dealing with concentrated product.

For more information or Safety Data Sheets (SDS) please contact us or see our website.
