

DESCRIPTION

Eats away soap scum, hard water scales, mold, and mildew, and for the really nasty stuff? It sanitizes too! All this, with no scrubbing required! Our Bathroom Cleaner contains no ammonia, or bleach but delivers a streak free, sanitized clean every time.

BATHROOM CLEANER

NETTOYANT TOUT USAGE SALLE DE BAINS *SANITIZER*

64X

CODE : ULT-1721

USAGE

 This ultra concentrate is to be diluted to a ratio of 1 part cleaner: up to 64 parts water. Simply spray the diluted product onto the soiled surface, allow it to work for a few minutes, then wipe clean with a microfiber cloth.

 **Do not use on** wood, stainless steel, natural stone, brass, copper, aluminium, galvanized zinc, tin, or magnesium surfaces. If contact occurs rinse immediately. When using on a food surface, rinse with potable water and wipe dry.

This product is part of our dilution control Ultra Line and should be used in conjunction with an appropriate chemical dispensing system. We can recommend the right system for your needs. Ask your Account Manager about the KP1H system!

NO ANIMAL TESTING
- INGREDIENTS

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

APPLICATIONS

- Sink
- Tub
- Toilet
- Shower
- Glass
- Porcelain
- Chrome

PROGRESSIVE CHEMISTRY

Our super-safe formula contains plant-based and biodegradable surfactants, a natural acidic cleaner, and a biodegradable sanitizer. In its diluted form it poses no risks whatsoever!

DOSAGE INSTRUCTIONS

APPLICATION

DILUTION

| | |
|-----------------------|--------------------------|
| Light to medium soils | 1:64 (standard dilution) |
| Heavy soils | 1:32 |

For really tough messes this product can be manually diluted to increase effectiveness. For example: 1 part cleaner: 32 parts water ≈ 125mL into 4L. Please read the label and SDS before working with concentrated products.

STORAGE

Store locked up

Do not allow to freeze

Store in a dry, cool, well-ventilated area

Store away from direct sunlight and heat

Store in original container with closed lid, away from alkalis and bleach. Do not mix with any other chemicals or products.

SHELF LIFE: 1 year after opening

PACKAGING

This bottle is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN:

4L → 256L ready-to-use product

20L → 1280L ready-to-use product

205L → More than 13,000L ready-to-use product

PRECAUTIONS

Harmful if swallowed.

Wear protective gloves and eye protection when dealing with concentrated product.
