## DESCRIPTION

Grease -B- Gone is a extremely powerful & effective formulation that cuts through grease easily inside drain lines and grease traps. Controls odor by eliminating slime and scum deposits. Keeps lines free-flowing and fresh-smelling. Use to clean walls, quarry tile, greasy kitchen floors and anywhere grease is a problem. Ideal for grease trap maintainers. Safe for all metal pipes.

# GREASE B-GONE

CODE:ENV-1017

## USAGE

**NOTE: Do not freeze the product. Some stains like rust or permanent ink stains may be impossible to remove.**

- Apply a small amount of product to the required area to be cleaned.

BIODEGRADABLE  
OECD 301D

LAST UPDATED: 23-01-2023

## SPECIFICATIONS

Physical Form	Liquid
Colour	Green
Odour	Prairie Sage
pH (1 g/L solution)	11-11.5
Flammability	Non-Flammable

## STORAGE

Store in a dry, cool, well-ventilated area

Do not allow to freeze

Store away from direct sunlight and heat

Store in original container with closed lid, away from incompatible materials such as strong acids.

**SHELF LIFE:** 1 year minimum after opening

## PACKAGING

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

**AVAILABLE IN:** 4L, 20L, 205L

## PRECAUTIONS

Wash hands thoroughly after handling. Do not breathe mists, vapours or spray. Wear eye and face protection. Wear protective gloves. Wear protective clothing. Contaminated work clothing should not be allowed out of the workplace.

**Refer SDS for more information.**
