TF 1-888-274-0862

DESCRIPTION

Classic Dishwash sanitizer is the ultimate cleaner, degreaser and disinfectant. It's antibacterial formula cuts through tough grease and grime and disinfects while you wipe. It is a one step product, safe for cleaning multiple types of hard, non-porous surfaces.

CLASSIC DISHWASH SANITIZER 12%

CODE: ENV-1026

USAGE

Ready to use. Spray surface until thoroughly wet.

Wipe clean.

For sanitizing effect, let stand for 1 to 5 minutes before wiping clean.

APPLICATIONS

Tableware, chinaware, silverware,

drums, meat and poultry processing

equipment, large food shipping containers

PROGRESSIVE CHEMISTRY

Phosphates are the leading driver of algal blooms in lakes. These blooms can release toxins and result in massive fish kills. We are helping to protect our waterways by ensuring that none of our products contain phosphates!

NO ANIMAL TESTING
+ INGREDIENTS

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

BIODEGRADABLE
OECD 301D

LAST UPDATED: 27.08.2023

SPECIFICATIONS

Physical Form	Liquid
Colour	Pale Yellow

STORAGE

Store in a dry, cool, well-ventilated area

Store away from direct sunlight and heat

Do not allow to freeze

Store in original container with closed lid away from incompatible materials such as strong acids.

SHELF LIFE: 1 year minimum after opening

PACKAGING

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN: 4L, 20L, 205L

PRECAUTIONS

Wash thoroughly after handling. For more information or Safety Data Sheets (SDS) please contact us or see our website
