DESCRIPTION

Stain-zyme combines powerful stain fighting components to help reach, break down and remove your tough laundry stains the first time. Perfect for tough stains such as grease, oil, dirt and grass and is safe to use on all washable fabrics.

STAINZYME

LAUNDRY PRESPRAY STAIN REMOVER

CODE: ENV-1104

USAGE

Completely cover the stain with Stain-Zyme and allow the product to work for 5 minutes while lightly agitating the stain. For stuck-in stains, allow product to work longer without drying. Hot water will improve stain removal. Shake before use.

APPLICATIONS

Grease, oil, dirt, grass, white

clothes, coloured

clothes

PROGRESSIVE CHEMISTRY

Our bio-based, fragrance-free formula uses the power of enzymes to eliminate even the toughest of stains.

NO ANIMAL TESTING + INGREDIENTS

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

BIODEGRADABLE

ACCESSORIES

Microfibre cloths (blue)	HSC-2512B
Trigger sprayer	RAW-TS100
Enviroway spray bottle	RAW-B95E

STORAGE

Store in a dry, cool, well-ventilated area

Store away from direct sunlight and heat

Do not allow to freeze

Store in original container with closed lid, away from incompatible materials such as strong acids.

SHELF LIFE: 1 year minimum after opening

PACKAGING

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN: 4L, 20L, 205L

PRECAUTIONS

Wash thoroughly after handling. For more information or Safety Data Sheets (SDS) please contact us or see our website.
