## DESCRIPTION

Revive your white and coloured clothes with the colour safe and chlorine-free Oxygen Bleach. This versatile product cleans a variety of stains, dirt and grime with the power of oxygen. Say goodbye to dirty, stinky laundry safely with the use of Oxygen Bleach.

# OXYGEN BLEACH

CODE : ENV 1125

## USAGE

**For Standard washer:** Fill washer with water and add oxibleach and detergent before adding laundry. Add 40-60 gm for regular load. For heavily soiled clothes or if you have hard water increase dosage as necessary.

**For HE washer:** Add Oxi Bleach to washer before adding laundry. Do not mix with detergent in dispenser. Add 20-30gm for regular load. For heavily soiled clothes or if you have hard water increase dosage as necessary.

**For Soaking:** Dissolve 50gm in around 5 liter water. Submerge stained items in solution after dissolved. For best result mix until completely dissolved. Soak 1-6 hours. Depending on severity of stain, then wash as normal.

## BENEFITS

- Hypoallergenic
- Safe for all kind of fabrics
- Powerful
- Phosphate Free
- No Optical Brighteners

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

BIODEGRADABLE  
OECD 301D

## APPLICATIONS

- White Clothes
- Coloured Clothes

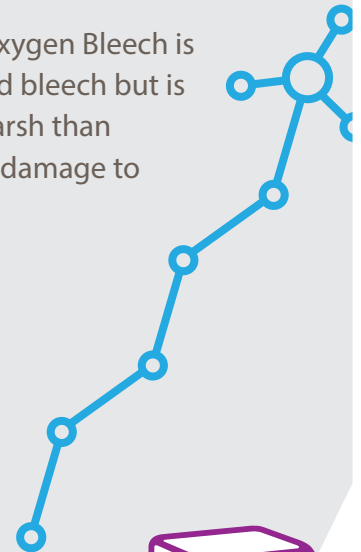

- Linens
- Stains

- Hot & Cold water
- Low Sudsing

## PROGRESSIVE CHEMISTRY

Our specially formulated Oxygen Bleach is as powerful as chlorine based bleach but is safer on the fabrics and less harsh than chlorine bleach that may cause damage to delicate fabrics.

TF 1-888-274-0862

## SPECIFICATIONS

Physical Form	Powder
Colour	White
Odour	Mild chemical scent
Flammability	Flammable
pH	11.0

## STORAGE

Store in a dry, cool, well-ventilated area

Store away from direct sunlight and heat

Do not allow to freeze

Store in original container with closed lid away from incompatible materials such as strong acids.

**SHELF LIFE:** 1 year minimum after opening

## PACKAGING

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

**AVAILABLE IN:** 4KG, 22.7KG

## PRECAUTIONS

Wash hands thoroughly after handling. Do not mix with acid.

Do not breathe mists, vapours or spray. Wear protective gloves. Wear protective clothing.

**For more information or Safety Data Sheets (SDS) please contact us or see our website.**
