

## DESCRIPTION

Hot Tank Degreaser is a caustic powdered hot tank cleaner. It efficiently and effectively removes rust, paint, carbon, grease and oil from engine blocks, pistons and ferrous metals.

# HOT TANK DEGREASER CAUSTIC

CODE: ENV-1404

## USAGE

Use 25 – 50 g/L or 4 – 6 oz./gal for general cleaning. Do not add powder in large quantities, stir constantly. Heat up to operating temperature range (71°C - 82°C; 160°F - 180°F). Use hot water under pressure or steam for rinsing. Test your tanks pH weekly and add new powder to bring up to proper strength (pH of 13-14).

**CAUTION:** DO NOT use on aluminum, magnesium, brass, copper and painted surfaces as it may cause harm. DO NOT overheat, avoid splattering when recharging tank. This is alkaline based and highly corrosive.

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

BIODEGRADABLE  
OECD 301D

## PROGRESSIVE CHEMISTRY

- Concentrated and balanced
- Helps provide long tank life at low concentrations and thus giving low cost per unit
- Safe on all ferrous metals

## APPLICATIONS

Engine blocks

Pistons

Ferrous metals

## SPECIFICATIONS

|               |               |
|---------------|---------------|
| Physical Form | Powder        |
| Colour        | White         |
| Odour         | Odourless     |
| Flammability  | Non-Flammable |
| pH            | 14.0          |

## STORAGE

Store locked up

Do not allow to freeze

Store in a dry, cool, well-ventilated area

Store away from direct sunlight and heat

Store in original container with closed lid.

**SHELF LIFE:** Minimum 1 year after opening

## PACKAGING

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

### AVAILABLE IN:

22.7kg

## PRECAUTIONS

Wear protective gloves and eye protection when dealing with concentrated product. For more information or Safety Data Sheets (SDS) please contact us or see our website.
