

DESCRIPTION

This fast, effective, and environmentally friendly product will solve all your ice melting problems quickly, safely, and economically. Meltdown creates an invisible barrier that keeps ice and snow from accumulating and adhering to surfaces. This makes snow and ice removal a breeze, no chipping or scraping required. Works to temperatures below -30°C and is safe to use on most outdoor surfaces.

MELTDOWN

CODE : ENV-1429

USAGE

Meltdown comes ready to use; spread sparingly over the desired area using a shovel, grass seed spreader or highway spreading equipment.

Use extra care when using around shrubbery or grass, this product can cause damage to greenery if over applied.

APPLICATIONS

-  Sidewalks,
-  driveways,
-  loading docks,
-  highways,
- parking lots

PROGRESSIVE CHEMISTRY

This product is specially formulated to work at temperatures expected in our harsh northern climate. It works 30 times faster than rock salts. One particle of Meltdown will melt up to 150 times its weight in ice!

NO ANIMAL TESTING
+ INGREDIENTS

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

STORAGE

Store in original container with tightly closed lid in a cool dry place

ACCESSORIES

DESCRIPTION	CODE
Meltdown spreader	TOL-T250102

PACKAGING

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN: 4 kg and 20 kg pails

PRECAUTIONS

Do not ingest; Keep out of reach of children.
