

DESCRIPTION

This highly concentrated, power washing friendly, fast acting cleaner and degreaser emulsifies all types of soils quickly and effectively. Contains a rust inhibitor and will make your engine look brand new. Use on all water safe surfaces from engines and machine parts to appliances and windows.

SUPER 101 ENGINE DEGREASER

CODE: ENV-206

USAGE

Dilute according to recommendations and spray on surface to be cleaned. Allow 2-5 minutes for penetrants and degreasers to work, then rinse thoroughly. Avoid contact with food.

DOSAGE INSTRUCTIONS

APPLICATION	DILUTION
Automotive parts, engines, construction equipment, machine tools and lathes, presses, punches and drills	1:1
Boats and marine equipment, computers, typewriters, and office machines	1:3
Conveyor belts, drive chains and loading ramps, food processing machinery, instrument parts and panels, pulleys, winches and cranes	1:5
Elevators, guard rails and safety equipment	1:7
Packaging and vending equipment, skylights and windows. Light cleaning.	1:8

NOTE: Suggested dilution recommendations are general and may vary depending on conditions and amount of grease build up. Always test on inconspicuous area before using. Food contact surfaces should be rinsed well with potable water.

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

BIODEGRADABLE
OECD 301D

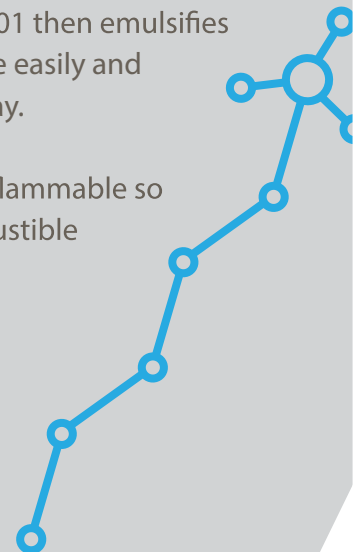

APPLICATIONS

-  Automotive parts
-  Marine equipment
-  Heavy machinery
-  Machinery & Food processing equipment

PROGRESSIVE CHEMISTRY

Specially formulated to attack the molecular structures that bond dirt and grime to surfaces. Super 101 then emulsifies the impurities so they can be easily and quickly wiped or mopped away.

This non-butyl degreaser is non-flammable so it is safer than flammable or combustible alternatives.

SPECIFICATIONS

Physical Form	Liquid
Colour	Purple
Odour	Chemical scent
Flammability	Non-Flammable
pH	12.0 - 13.0

STORAGE

Store locked up

Do not allow to freeze

Store in a dry, cool, well-ventilated area

Store away from direct sunlight and heat

Store in original container with closed lid.

SHELF LIFE: 1 year minimum after opening

ACCESSORIES

ITEM:

CODE:

Pressure washer	KAR-15209160
Pump up sprayer	HDS-403156
1L bottle	RAW-B95E
Sprayer	RAW-TS100

PACKAGING

This bottle is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN: 4L, 20L, 205L, 1000L

PRECAUTIONS

Wear protective gloves and eye protection when dealing with concentrated product. For more information or Safety Data Sheets (SDS) please contact us or see our website.
