

DESCRIPTION

An all-in-one viscous cleaner and deodorizer. An acid cleaner that is much safer than sulfuric acid based cleans and offers optimal performance. Ideal for toilets, urinals, sinks, bathtubs, faucets, chrome, stainless steel, showers, ceramic, etc. A complete solution for restroom maintenance.

BLUE BRIGHT BATHROOM CLEANER

CODE : ENV-311

USAGE

NOTE: Wear gloves and safety glasses.

Toilet bowls and urinals: Pour 114 ml (4 oz) onto a brush and thoroughly clean all surfaces, including the drain while paying particular attention to the u-sh ring. Flush and rinse bowl and brush.

Others: Safe to use on non-resilient tile, grout, stainless steel, aluminum, copper, brass, ceramic, glass, plastic and cement. Dilute with potable water at a rate of 1:40. Scrub and rinse thoroughly.

pH (1 g/L solution)	2-3
Flammability	Non-Flammable

STORAGE

Store in a dry, cool, well-ventilated area

Do not allow to freeze

Store away from direct sunlight and heat

Store in original container with closed lid, away from incompatible materials such as strong acids.

SHELF LIFE: 1 year minimum after opening

PACKAGING

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN: 4L, 20L, 205L

PRECAUTIONS

Wash hands thoroughly after handling. Do not breathe mists, vapours or spray. Wear eye and face protection. Wear protective gloves. Wear protective clothing. Contaminated work clothing should not be allowed out of the workplace.

Refer SDS for more information.
