

DESCRIPTION

Carpet Pre-Spray Spot Remover penetrates, breaks down and lifts out the toughest of stains. Effective against a variety of stains like red wine, pet stains, coffee, ink and oil.

CARPET PRE-SPRAY SPOT REMOVER

CODE: ENV-401

USAGE

Fresh spills:

Blot excess liquid with an absorbent cloth or paper towel. Spray liberally on stain, working from the outside inwards. DO NOT RUB. Allow to set for 2-3 minutes, then firmly press a clean towel onto the sprayed area. Repeat as necessary.

Older stains:

Same as above, repeat after 24 hours. Allow the treated area to dry fully before use.

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

BIODEGRADABLE
OECD 301D

PROGRESSIVE CHEMISTRY

Our specially formulated Carpet Pre-Spray Spot Remover is free of harmful ingredients such as chlorine, ammonia, dyes and heavy metals to provide you with a feel good clean. Completely biodegradable for reduced environmental impact.

Enviroway spray bottle	RAW-B95E

PACKAGING

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN: 1L, 4L, 20L

PRECAUTIONS

Wash thoroughly after handling. For more information or Safety Data Sheets (SDS) please contact us or see our website.
