LIQUID ORGANIC WASTE & ODOUR DIGESTER

CODE: ENV-603

Drain lines naturally experience organic build up and will clog over time if they are not properly maintained. No need for harsh acid or caustic cleaners, Liquid Organic Waste & Odour Digester breaks down organic material to get your drains flowing freely. Our special blend of bacteria, enzymes and an odour counteractant clean, deodourize, and maintain your drains with regular use.

APPLICATIONS

- Waste pits
- Waste water lines
- Grease traps
- Garbage disposals
- Sink drains
- Wash basins
- Shower stalls
- Floor drains,
- Septic tanks
- Lagoons
- Aerated cells

USAGE

Simply pour this fast-acting liquid down your drains to eliminate odours, maintain free flowing drains, digest organic waste, degrade fat, oil and grease, and prevent the buildup sludge in your lines.

PROGRESSIVE SCIENCE

This environmentally friendly and effective biological treatment product contains 4 billion bacteria per mL; that's **16 trillion** bacteria in each 4 litre jug!

Liquid Organic Waste and Odour Digester is a safe alternative to dangerous acidic or caustic drain cleaners.

100% BIODEGRADABLE

WHAT DOES GREASE TRAP MAINTAINER DO?

- Treats and prevents clogged drains
- Eliminates odours in drains, garbage disposals and grease traps
- Maintains free flowing lines

4 TRILLION BACTERIA PER L

NO ANIMAL TESTING + INGREDIENTS

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.
