

DESCRIPTION

The petroleum free LiftSolv is natural solution to dissolve grease, fat, oil and grime. This highly effective and non-foaming formula floats on water to prevent grease accumulation on wall and water surface, also covers the offensive odors. It will eliminate odors and the need for costly pump-outs when used as part of a monthly maintenance program. This product extends the life of pumps when used as directed and prevents frequent pump breakdowns due to clogging. It effectively cleans pump lines, significantly improves their performance, and reduces the need for unnecessary maintenance.

LIFTSOLV DEGREASER

CODE : ENV-606

USAGE

Note: For Industrial use only.

Lift Stations - Pour approximately 1/2 gallon of LiftSolv into lift station for each square foot of surface area. For best results make sure that the degreaser is covering the entire surface of the water. Repeat treatment every 2 to 3 months for preventative maintenance. A tank sprayer may be used to spray interior walls of manway or wet well if desired.

Grease Traps - Pour LiftSolv into drain line closest to Grease Trap. For best results treat at night.

100 - 250gal Capacity = 32 oz every week

250 - 500gal Capacity = 64 oz every 7 to 10 days.

500 - 1000gal Capacity = 1gal every 7 to 10 days.

BENEFITS

- Petroleum free formula.
- Contains natural active ingredients.
- Promotes the growth of healthy bacteria's in water
- Safe for all pipelines.
- Eliminates offensive odour.
- Saves money by eliminating the need for costly pumps outs.

100% BIODEGRADABLE

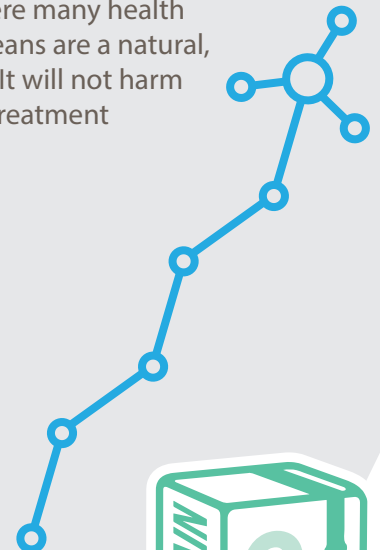

APPLICATIONS

- Septic Tanks
- Liftstations
- Sewers
- Grease traps
- Drain lines (All types)

PROGRESSIVE CHEMISTRY

Our 100% natural and plant-based product is soy-based! Not only are there many health benefits to this switch, soybeans are a natural, annually renewable resource. It will not harm bacteria action in raw sewage treatment operations.

SPECIFICATIONS

Physical Form	Liquid
Colour	Orange
Odour	Citrus
pH (1 g/L solution)	6-7
Flammability	Non-flammable

STORAGE

Store in a dry, cool, well-ventilated area

Do not allow to freeze

Store away from direct sunlight and heat

Store in original container with closed lid, away from incompatible materials such as strong acids.

SHELF LIFE: 1 year minimum after opening

PACKAGING

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN: 4L, 20L, 205L

PRECAUTIONS

Wash hands thoroughly after handling. Do not breathe mists, vapours or spray. Wear eye and face protection. Wear protective gloves. Wear protective clothing. Contaminated work clothing should not be allowed out of the workplace.

Refer SDS for more information.
