

DESCRIPTION

A unique blend of natural solvents combined with deep cleansing agents and natural pumice. Challenge is a powerful but gentle skin cleaner, removing the toughest dirt and grime with ease. Challenge also contains Aloe Vera and other moisturizing agents to keep the skin smooth and soft and not dry and cracked from frequent washing.

CHALLENGE HAND CLEANER

CODE : ENV-907

USAGE

Apply to hands and forearms, work in and around fingernails, then wipe off with a disposable towel or rinse with water.

APPLICATIONS

Removes:

- oils
- tar
- grease
- paint
- ink

PROGRESSIVE CHEMISTRY

Our biodegradable formula uses the power of nature to quickly remove the toughest soils such as oils, tar, grease, and paint. Challenge has the muscle to clean where most hand cleaners fall short.

NO ANIMAL TESTING + INGREDIENTS

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

BIODEGRADABLE
OECD 301D

SPECIFICATIONS

Physical Form	Viscous Liquid
Colour	Pale green

pH (1 g/L solution)	7.0 - 8.0

STORAGE

Store in a dry, cool, area

Do not allow to freeze

Store away from direct sunlight and heat

Store in original container with closed lid, away from incompatible materials such as strong acids or oxidizers.

SHELF LIFE: 1 year minimum after opening

PACKAGING

HDPE

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN: 1L, 4L

PRECAUTIONS
