

DESCRIPTION

Super Power 777 is a blue granular compound which produces huge foam and helps cleaning. It is a mildly alkaline, biodegradable product and is safe on all car paint surfaces and car wash equipment. Super Power 777 is ideally suited for use with pressure wash equipment and may also be used in manual cleaning operations. It contains active detergents, water conditioners, emulsifiers and rinsing agents for effective removal of dirt, oil and stubborn road film.

USAGE

FOR PRESSURE WASHER CLEANING: Use 2-3 grams per litre of water (1/3 - 1/2 oz/gallon). Best results are obtained by using hot water. Wet the entire surface to be cleaned with wash solution. Clean each section thoroughly. Rinse with cold water and allow to drain dry. When using a concentrate to be further diluted with water, add up to 30 grams of Super Power 777 per litre of hot water (5 oz/gallon).

FOR MANUAL CLEANING: Use 3 - 6 grams per litre of warm water (1/2 - 1 oz/gallon). Wash using a brush, sponge or lambswool mitt. Rinse with cold water and allow to drain dry.

BENEFITS

- Saves time by removing grease, oil & dirt sticking to the surface in lesser time than other leading competitors.
- Can cut through every kind of hydrocarbon-based dirt pretty easily.
- Saves cost of cleansing as minimal quantity of degreaser is needed to be used to perform heavy duty cleansing.
- Involves hassle free & easy cleansing.
- Safe for all kinds of car paint surfaces.
- No Animal Testing or ingredients.
- Septic Safe & Non-corrosive.

SUPER POWER 777

HIGH FOAMING DEGREASER

CODE : ENV/231

APPLICATIONS

-  • Cars
-  • Trucks
-  • Locomotives
-  • Semi-Trucks
-  • Farm Equipment
-  • Pressure Washing
-  • Manual washing

PROGRESSIVE CHEMISTRY

Concentrated formula last longer than ready-to-use cleaners, making it economical choice for families and businesses. Also phosphate free helping save our waterways from toxic algal bloom.

SPECIFICATIONS

Physical Form	Granules
Colour	Deep Blue
Odour	Typical Aromatic
pH (1 g/L solution)	11-12
Flammability	Combustible

STORAGE

Store in a dry, cool, well-ventilated area

Do not allow to freeze

Store away from direct sunlight and heat

Store in original container with closed lid, away from incompatible materials such as strong acids.

SHELF LIFE: 1 year minimum after opening

ACCESSORIES

ITEM:	CODE:
Pressure washer	KAR-15209160
Pump up sprayer	HDS-403156
Spray bottle	RAW-B95E
Sprayer	RAW-TS100
Acid wash brush	ATG-315
Brush handle 60"	ATG-52509

PACKAGING

This packaging is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN: 22.7KG

PRECAUTIONS

Wash hands thoroughly after handling. Do not breathe mists, vapours or spray. Wear eye and face protection. Wear protective gloves. Wear protective clothing. Contaminated work clothing should not be allowed out of the workplace.

Refer SDS for more information.
