

DESCRIPTION

Carpet Guard is a soil repellent formula which contains an effective non-flammable highly durable polymer emulsion. It coats every fibre with an invisible shield to protect against harsh cleaners, traffic and any kind of stain. Carpet Guard provides excellent water and oil repellency to nearly all types of fabrics keeping your carpets and rugs looking new. Carpet Guard can be used on upholstery for similar results.

CARPET GUARD

CODE: ENV-407

USAGE

Shake the bottle before application. Simply spray onto new or freshly cleaned carpets (damp or dry). Let the product dry to 2 – 6 hours. For extra protection in high traffic or problem areas, apply a second time.

Reapply the product after six months of traffic or after cleanings to maintain the protection power. Durability of protection varies with traffic to traffic.

NOTE: Use Carpet Guard only on freshly cleaned surfaces
