Microfiber Charging Bucket With Lid - 23"L X 9"W X 12"H / Grey

The microfiber charging bucket with lid charges your pads from the top down. Place your Microfiber Pads in the bucket and pour your chemical of choice in. Close lid and turn upside down to soak. Flip back over and your pads are charged and ready to use. The bucket fits on the standard janitor carts and microfiber trollies and has a 6 Gallon capacity. It features a sturdy handle and a water-tight lid that keeps chemicals contained. The bucket can hold up to 20 mop heads with ease making it the perfect charging bucket for your microfiber needs.

Key Features

- Includes sealable lid
- Durable plastic construction
- Water-tight lid keeps chemicals contained
- Use with 18 inch microfiber flat mops
