## Stainless Steel Channel And Rubber - 10"L / Black/ Silver

Stainless steel channel and rubber cleans any flat, smooth surface. The stainless steel channel has a notched system that securely holds squeegee rubber and channel preventing slipping out, wobbling or bending providing a high quality and flawless performance.

**Key Features**

- Strong and corrosion resistant
- Perfect balance and weight
- Stainless steel – lighter & stronger than brass
- Includes “S” channel and complete with soft flexible blade
