306-244-7727

TF 1-888-274-0862

DESCRIPTION

Removes fingerprints, dust, and dirt and leaves a streak-free shine in their place! This ammonia-free product will leave most surfaces spotless and shining without harsh fumes. One 4L jug of this ultra concentrated product will deliver more than 1000L of streak-free cleaning!

GLASS+ MULTISURFACE

NETTOYANT POUR VERRE ET SURFACES

256X

CODE: ULT-1711

USAGE

 This ultra concentrate is to be diluted to a ratio of 1 part cleaner: up to 256 parts water. Simply spray the diluted product onto glass or other surface and wipe clean with a microfiber cloth. When using on a food surface, rinse with potable water and wipe dry. Avoid contamination of food.

This product is part of our dilution control Ultra Line and should be used in conjunction with an appropriate chemical dispensing system. We can recommend the right system for your needs. Ask your Account Manager about the KP1H system!

APPLICATIONS

- Windows
- Mirrors
- Counters
- Appliances
- Stainless Steel
- Chrome
- Anything Glass

PROGRESSIVE CHEMISTRY

Our super safe formula contains plant based and biodegradable surfactants, plant-based solvent and a biodegradable sanitizer. In its diluted form it poses no risks whatsoever!

100% BIODEGRADABLE
OECD 301D

NO ANIMAL
TESTING
- INGREDIENTS

Safe and effective cleaning products can be made completely cruelty-free. We perform no animal testing and none of our ingredients contain animal products or by-products.

AMMONIA FREE

DOSAGE INSTRUCTIONS

APPLICATION

DILUTION

Light to medium soils

1:256 (standard dilution)

Heavy soils

1:128

For really tough messes this product can be manually diluted to increase effectiveness. For example: 1 part cleaner: 128 parts water \approx 30mL into 4L. Please read the label and SDS before working with concentrated products.

STORAGE

Store locked up

Do not allow to freeze

Store in a dry, cool, well-ventilated area

Store away from direct sunlight and heat

Store in original container with closed lid, away from incompatible materials such as strong oxidizing agents.

SHELF LIFE: 1 year after opening

PACKAGING

This bottle is made from high density polyethylene (HDPE) one of the most commonly and easily recycled plastics!

Concentrated products save on packaging, energy, and emissions associated with transport. Instead of shipping mostly water, we are sending you a super concentrated product that you simply dilute with tap water. This allows us to pass the savings on to you!

AVAILABLE IN:

4L → 1024L ready-to-use product

20L → 5120L ready-to-use product

205L → More than 52,000L ready-to-use product

PRECAUTIONS

Harmful if swallowed.

Wear protective gloves, eye protection and avoid breathing fumes when dealing with concentrated product.
